We would like to thank all the residents and businesses that contributed to the pavilion. This project took our whole community to make it happen. We would also like to thank T. L. Edwards Inc., Comeau and Kelly Construction and the Avon DPW for getting the site ready for construction and completion. We plan to have a ribbon cutting at our first concert.

STAFF SPOTLIGHT – BOARD OF HEALTH

Meet Kathleen Waldron – Town Health Agent

1. **What inspired you to pursue the career you have today?**
 - a. My career really found me. I graduated with a Civil Engineering degree and was not sure what I wanted to do with it exactly. Being introduced to the Middleboro Health Agent, who offered to let me intern in their department, I was immediately drawn to the vastness of what the Board of Health covers and all the ways it impacts our daily lives without even realizing it. I worked in Stoughton as the Assistant Sanitarian for a couple years until I was hired in 2016 as the Health Agent for Avon.
2. **What is the last book you read?**
 - a. The last book I read was Tiny Fey's ***BossyPants***. It was a light and funny read when I was on vacation in March. My next read is going to be ***Are you There God, It's Me Margaret*** by Judy Blume. I don't read as much as I would like, but I listen to my favorite podcast ***Criminal***. It's about true crime and the stories of people who have done wrong, be wronged, or was caught somewhere in the middle.
3. **What is your favorite hobby?**
 - a. My favorite hobby in the summer is being out on the boat with my boyfriend. A lot of my time is spent with family and friends and working on a variety of home improvement projects. I also really enjoy working on jigsaw puzzles!
4. **What's the next place on your travel bucket list?**
 - a. I would like to visit Guatemala with my sister.
5. **What is the best concert you ever went to / last concert you went to??**
 - a. This is a hard question; I have enjoyed all the concerts I have gone too. One of the moments that stick out the most is when my sister invited me to go to the Wrong Party Tour with Breland, Andy Grammer and Fitz and the Tantrums. I had no idea our tickets were in the front row, very close to the center. Being that close to watch the performance was amazing and an experience I will never forget.

COMMUNITY CLEANUP DAY

On Saturday May 13th, the Board of Health hosted the annual Avon Community Cleanup Day. Thanks to the amazing volunteers, we were able to collect over 40 trash bags from all over Avon!

TOWN OF AVON NEWS

A MESSAGE FROM THE SELECT BOARD

To all the Avon Residents,

First, I want to start off with a BIG Thank You for re-electing me as your selectman. I am entering my second term and could not have done it without the support of the people of Avon. I take great pride in serving on the Board of Selectman and working with all the departments, boards, and committees that make our town the special place that Avon has come to be. I am proud of all the achievements that we, as a Town, have accomplished over the last few years. On April 29th, Town Moderator Frank Staffier held a Saturday morning "Coffee Hour" to help spread the word about the board and committee vacancies we have. The participation was better than expected and we were able to fill some of the vacant positions. If you are interested in a board or committee, there are still positions open, please reach out to our Town Clerk Patricia Bessette.

As many of you know, we had our Annual Town Meeting on May 2nd and with the help of the people of Avon, passed a balanced budget. A special Thank You to our finance team, led by Deb Morin, without all of you, this process would not have been as smooth as it was. Also in May, the DPW Water Division was awarded the "Public Water System Award" presented by the MA DEP. This is a tremendous achievement and could not have been done without the team effort put forth by the entire DPW. The DPW Highway Division and Water Division work extremely well together and are solely responsible for this award.

On May 13th, the BOH held our "Annual Clean-up Day", the participation was outstanding! Thank You to our Board of Health members and especially to our Health Agent, Kathleen Waldron for making this function possible and appear effortless. There are many hours of hard work involved in making functions like these successful, and Kathleen and her board make it happen every year. I look forward to seeing all the residents who attended, and hopefully more, again next May.

Lastly, I would like to send out a Special Thank You to Interim Town Administrator, Jim Purcell. Jim has helped with our budgeting process for the Annual Town Meeting, helped with various departments navigate through some challenging situations and taught us some things that will help us, as the Board of Selectmen, do our job better and more efficiently. Jim has brought many years of experience and knowledge to Avon and allowed us to utilize as much as we could over the last six months. Jim, you are going to be missed and we truly hope you enjoy retirement. But, like they say, when one door closes, another door opens and I believe that our next Town Administrator is going to do a wonderful job, as the people of Avon so deserve.

Sincerely,

Jason Suzor

Clerk, Avon Board of Selectman
